Praise for Frangepig and Mustard

Fringepig is brought to you by the team behind Mustard mag

As the world looks
to Wikipedia, so
the Fringe looks to
Fringepig. It's my
guilty, filthy pleasure
every August.

David Johnson
Fringe Producer

Well, it's better
than Fest.

Stewart Lee
41st Best Stand Up Ever

An ingenious idea,
executed with wit
and honesty.
Just don't review
this review.

Isy Suttie

eine Anzeige, obwohl
ich keinen brauche!

Henning Wehn
*German Comedy
Ambassador*

A dash of something special.

Michael Palin
